

Grounds Maintenance

Information leaflet for tenants that receive gardening services which they pay a service charge for.

What you can expect

Our grounds maintenance service is carried out by KF Garden Services. The contractors will be Karl or Jake. Pruning is done twice a year, avoiding bird nesting season. Paved areas and driveways will be sprayed during each visit to keep weeds under control.

Gardening schedule

Month	Properties with paved areas	Properties with gardens
January		X No visit
February		X No visit
March	1 visit	1 visit
April	1 visit	1 visit
May	1 visit	2 visits
June	1 visit	2 visits
